SOCIAL RETAIL - A BETTER WAY TO MARKET

Modere is the first company to develop an industry-changing concept called Social Retail. Our innovative social marketing strategy enables people like you to promote the Modere brand by simply referring and sharing our stylish, safe and smart products while earning income and rewards.

Modere is the first ever Social Retail company:

- Retail powered by people
- Share products you love with people you know
- Earn commissions when those people purchase products

A NEW INDUSTRY - RETAIL POWERED BY PEOPLE

We're a Social Retail brand built for customers and the everyday entrepreneur. We're committed to the success of our Social Marketers and to sharing our vibrant opportunity. But Modere is more than just an awesome brand - our products and our business are a way of life, showing others how to live clean, shop smart, earn additional income, and give back.

Social Retail is a brand-new opportunity bringing together the best of social shopping and the enormous direct sales industry.
