

**CLASS ACTION SETTLEMENT AGREEMENT**

This Class Action Settlement Agreement is entered into this 20<sup>th</sup> day of January 2023, between the Plaintiff and Defendant, as defined herein.

**I. RECITALS**

1.1. On July 28, 2020, Plaintiff Daniel Metague (hereinafter referred to as “Metague” and/or “Plaintiff”), through his counsel Migliaccio & Rathod LLP; Robert Peirce & Associates, P.C.; and the Law Offices of Robert Mackey (hereinafter collectively referred to as “Class Counsel”) filed a Class Action Complaint in the United States District Court for the District of Maryland against Woodbolt Distribution, LLC, d/b/a Nutrabort (hereinafter referred to as “Defendant,” “Woodbolt” and/or “Defendant Woodbolt”) alleging claims for fraudulent concealment and omission, breach of implied warranties, equitable injunctive and declaratory relief, violations of Maryland Consumer Protection Act (“MCPA”), violations of the unfair and unlawful prongs of unfair and deceptive trade practices statutes for thirty-two other states and the District of Columbia, and unjust enrichment. Plaintiff sought to pursue these claims on behalf of himself and all purchasers of Defendant’s nutritional supplements containing branched-chain amino acids (hereinafter referred to as “BCAAs”) called “XTEND®” (hereinafter “XTEND” and/or “the Product”).

1.2. Plaintiff alleges that, in its advertising, Defendant made a series of material representations about the caloric content of XTEND.<sup>1</sup> Specifically, Plaintiff alleges that the XTEND products (a) were labeled as “0 calories” per serving that Plaintiff alleges are not “0 calories,” and (b) Woodbolt continued to sell its products with misleading labels despite knowing

the inaccuracy of such statements. Plaintiff alleged that these representations were propagated through various media, including Woodbolt's website, advertisements, packages, and labels. Plaintiff alleges that this advertising was false and misleading. Defendant denies all of Plaintiff's Allegations and maintains that its marketing, advertising, and labelling has been accurate at all times and compliant with the regulations that govern the labelling of dietary supplements under the Food, Drug, and Cosmetic Act (hereinafter referred to as "FDCA").

1.3. Plaintiff's Counsel conducted a thorough examination and investigation of the facts and law relating to the matters in the Litigation, which included extensive informal discovery, including independent laboratory testing. Defendant denies all Allegations in the Litigation.

1.4. On December 14, 2020, Woodbolt moved to dismiss the Complaint pursuant to Federal Rules of Civil Procedure 12(b)(6) and Rule 9(b). Specifically, Defendant argued that (a) the Court should dismiss the Complaint because the Food and Drug Administration (hereinafter referred to as "FDA") has primary jurisdiction over Plaintiff's claims, (b) the Plaintiff's claims were preempted by the FDCA, and (c) the Court should stay the case pending the FDA's decision on the Complaint's core contention. Plaintiff opposed Defendant's Motion to Dismiss.

1.5. On July 8, 2021, Defendant filed a motion for reconsideration of the Court's June 16, 2021 Order. That motion is still pending.

1.6. In response to Defendant's Motion to Dismiss, on January 28, 2021, Plaintiff filed an Amended Complaint to supplement the facts and add a common law breach of express warranty claim. Subsequently, on February 26, 2021, Woodbolt moved to dismiss the Amended Complaint pursuant to Federal Rules of Civil Procedure 12(b)(6) and 9(b). On June 16, 2021, the Court entered an Order granting in part and denying in part Defendant's Motion to Dismiss.

1.7. Defendant denies all charges and claims of wrongdoing or liability against it arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged, in the Litigation. Defendant also denies that Plaintiff, the Settlement Class, or any member of the Settlement Class have suffered damage or harm by reason of any alleged conduct, statement, act, or omission of Defendant. Defendant further denies that the Litigation meets the requisites for certification as a class action under Rule 23 of the Federal Rules of Civil Procedure, except for purposes of settlement, or that the evidence is sufficient to support a finding of liability on any of Plaintiff's claims in the Litigation. The Parties enter into this Agreement solely to eliminate the uncertainties, burden, expense, and delay of further protracted litigation.

1.8. On September 28, 2021, the Parties participated in an all-day mediation conducted by mediator Honorable Jose L. Linares, U.S.D.J. (Ret.) of McCarter & English LLP. That mediation and subsequent negotiations between the parties resulted in the settlement memorialized in this Agreement.

1.9. Counsel has analyzed and evaluated the merits of the Parties' contentions and this Settlement as it impacts all the Parties and the Settlement Class Members. Among the risks of continued litigation for Plaintiff are the risks of failing to prove liability or restitution and damages on a class-wide or individual basis. In particular, there may be difficulties establishing (a) Defendant's marketing materials were likely to deceive reasonable consumers, (b) that misrepresentations and omissions in the marketing materials were material to reasonable consumers, (c) the amount of damages or restitution due to the class or to any class member, and (d) that common questions predominate over individual issues such that a class may be certified. Plaintiff and Plaintiff's Counsel, after taking into account the foregoing along with other risks and the costs of further litigation, are satisfied that the terms and conditions of this Agreement are fair,

reasonable, adequate, and equitable, and that a settlement of the Litigation and the prompt provision of effective relief to the Settlement Class are in the best interest of the Settlement Class Members.

1.10. Defendant agrees that the settlement is fair and reasonable in light of the merits and risks of the case. While continuing to deny all Allegations of wrongdoing and disclaiming any liability with respect to any and all claims, Defendant considers it desirable to resolve the Litigation on the terms stated herein, in order to avoid further burden, expense, inconvenience, and interference with its ongoing business operations. Therefore, Defendant and Defendant's Counsel have determined that settlement of this Litigation on the terms set forth herein is in Defendant's best interest.

1.11. This Agreement reflects a compromise between the Parties and shall in no event be construed as or be deemed an admission or concession by any Party of the truth of any Allegation or the validity of any purported claim or defense asserted in any of the pleadings in the Litigation, or of any fault on the part of Defendant, and all such Allegations are expressly denied. Nothing in this Agreement shall constitute an admission of liability or be used as evidence of liability, by or against any Party hereto.

1.12. The undersigned Parties agree, subject to approval by the Court, that the Litigation between Plaintiff, on the one hand, and Defendant, on the other hand, shall be fully and finally compromised, settled, and released on the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the covenants and agreements set forth herein, and of the releases and dismissals of claims described below, the Parties agree to this Settlement, subject to Court approval, under the following terms and conditions.

Settlement Class Members must fill out a Claim Form substantially in the form of Exhibit A and submit it as described in long and short notices. Claimants may seek reimbursement by submitting a Claim Form either by mail or electronically. Each Claim Form will be signed (either electronically or manually) under penalty of perjury. The actual amount paid to individual Claimants will depend upon the number of Valid Claims made. Adequate and customary procedures and standards will be used by the Settlement

Administrator to prevent the payment of fraudulent claims and to pay only legitimate claims. A maximum of one claim, submitted on a single Claim Form, may be submitted by each Settlement Class Member or his or her household. The determination of the Settlement

Administrator, after consultation with Class Counsel and Defendant's Counsel, concerning the eligibility and amount of payment shall be final. In the event a Settlement Class Member disagrees with such a determination, the Settlement Administrator agrees to reconsider such determination, which includes consultation with Class Counsel and Defendant's Counsel.

3.13. A Claim shall be deemed to be a "Valid Claim" only if submitted on the Claim Form pursuant to the procedures set forth herein. At the election of the Settlement Class Member, Claim Forms may be submitted via first class mail or electronically via the Settlement Website or via email to the Settlement Administrator. 3.16. The Settlement Administrator shall be responsible for processing Claim Forms and administering the Settlement Website, opt-out process, and Settlement Benefit claims process described herein. The Settlement Administrator will follow its ordinary course of practice regarding approval of claims, subject to all Parties' right to audit claim determinations and challenge the Settlement Administrator's decision(s). If the Parties and the Settlement Administrator cannot collectively agree how to resolve disputed claims, then such disputes shall be resolved by the Court. Within thirty-five (35) calendar days after the close of the Claim Period, the Settlement Administrator shall email the Settlement Class Member whose claim is denied at

The Settlement Class Members shall have fourteen (14) calendar days to cure the deficiency or deficiencies that resulted in the denial of the Claim. The Settlement Administrator's determination of whether a claim is a Valid Claim, if not disputed by the Parties, shall be final and not subject to further review. No person shall have any claim against Plaintiff, Defendant, Plaintiff's Counsel, Defendant's Counsel, or the Settlement Administrator based on any determination about the validity of a claim, distributions, or awards made in accordance with this Agreement and the Exhibits hereto.

3.17. On the first business day of every month after the Notice Date, or as otherwise agreed by the Parties, the Settlement Administrator shall provide the Parties with a report about claims made, which shall include information about the number of claims that have been accepted and denied. Fourteen (14) calendar days prior to the date of the Motion for Final Approval deadline, the Settlement Administrator shall provide information to the Parties about the number of claims filed to date.

3.18. Within sixty (60) calendar days of the close of the Claim Period, the Settlement Administrator shall approve or deny all Claims, and its decision shall be final and binding, except that Plaintiff's Counsel and Defendant shall have the right to audit claims and to challenge the Settlement Administrator's decision by motion to the Court, for good cause, at any time after the Notice Date.

3.19. All costs of the administration of this Settlement shall be paid from the Class Cash Fund.

3.20. For those Settlement Class Members who submit Valid Claims, Cash Payments shall be paid by check sent via first-class mail to the mailing address provided on the Claim Form or at the election of the Settlement Class Member on the Claim Form, by direct deposit into the Settlement Class Member's bank account, or another form of electronic transfer (such as PayPal, Venmo, ACH). All Valid Claims shall be paid by the Settlement Administrator by the Distribution Date.

3.21. Failure to provide all information requested in the Claim Form may not result in nonpayment of a claim. Instead, the Settlement Administrator will take all adequate and customary steps to determine the Settlement Class Member's eligibility for payment and the amount of payment based on the information contained on the Claim Form or otherwise submitted, the amount of money available to pay all Valid Claims, and such other reasonably available information from which eligibility for payment can be determined. The Settlement Administrator shall take reasonable and customary steps to investigate any Claim Form that it believes may have been fraudulently submitted. If the Settlement Administrator determines a claim is definitively fraudulent, it may deny the claim without a cure process.

- Q. Upon completion of the implementation and administration of the Settlement, the Settlement Administrator shall provide written certification of such completion to Class Counsel and Defendant's Counsel.

#### **V. CONDITIONAL CERTIFICATION OF SETTLEMENT CLASS**

5.1. Solely for the purpose of effectuating the Settlement set forth in this Agreement and subject to Court approval, the Parties stipulate that a Settlement Class shall be certified in accordance with the Settlement Class definition set forth in this Agreement, that the Class Representative shall represent the Settlement Class for settlement purposes, and that Plaintiff's Counsel shall be appointed as counsel for the Settlement Class.

#### **VI. ATTORNEYS' FEES, COSTS AND EXPENSES, AND SERVICE AWARD**

6.1. This Settlement Agreement was arrived at after extensive arm's length negotiations with the aid of the Mediator and conducted in good faith by counsel for the parties and is supported by the Plaintiff. The parties did not discuss or negotiate attorneys' fees until after relief had been fashioned for the Class. Plaintiff's Counsel may make an application to the Court for an award of Attorneys' Fees and Expenses not to exceed \$1,000,000.00 in cash, plus a Service Award to the Named Plaintiff in the amount of \$7,500.00, as compensation for the time and effort undertaken in and risks of pursuing this Litigation. If awarded, in whole or in part, the Attorneys' Fees and

Expenses awarded by the Court shall be paid from the Class Cash Fund. Any modification of Plaintiff's Counsels' application for Attorneys' Fees or Expenses by the Court shall not (a) affect the enforceability of the Settlement Agreement, (b) provide any of the Parties with the right to terminate the Settlement Agreement, or (c) impose any obligation on Defendant to increase the consideration paid in connection with the Settlement.

6.2. The Settlement Administrator shall pay to Class Counsel from the Class Cash Fund the amount of attorneys' fees and costs awarded by the Court within forty (40) calendar days following the Effective Date, subject to Plaintiff's Counsel providing its payment routing information and tax ID number. Payment of the Fee Award will be made from the Class Cash Fund by wire transfer or check to Plaintiff's Counsel.

6.3. Any Service Award approved by the Court for the Class Representative shall be paid from the Class Cash Fund in the form of a check to the Class Representative that is sent in care of Class Counsel within the earlier of forty (40) days after the Effective Date or the date the Settlement Administrator begins making distributions to claimants.

6.4. Defendant takes no position with respect to Plaintiff's application for Attorneys' Fees and Expenses and Service Award. Plaintiff's Counsel and Plaintiff agree that the denial of, reduction or downward modification of, or failure to grant any application for Attorneys' Fees and Expenses or Service Award shall not constitute grounds for modification or termination of this Agreement, including the Settlement and releases provided for herein.

6.5. Except as set forth in this Agreement, each Party shall bear his or its own fees, costs, and expenses.

## VII. CLASS SETTLEMENT PROCEDURES

7.1. Settlement Approval. Within thirty (30) days after the signing of this Agreement, Plaintiff shall move, with the support of Defendant, for a Preliminary Approval Order, substantially in the form of Exhibit C, conditionally certifying the Settlement Class solely for the purposes of this Settlement and without any finding or admission of any wrongdoing or fault by Defendant; preliminarily approving this Agreement and this Settlement as fair, just, reasonable, and adequate, approving Class Notice to the Settlement Class Members as described in Section IV above, and setting the Final Approval Hearing. The Parties shall seek a Final Approval Hearing to occur no later than 130 days after Preliminary Approval.

7.2. Exclusions and Objections. The Long Form Notice and the Publication Notice and Postcard Notice shall advise prospective Settlement Class Members of their rights to forgo the benefits of this Settlement and pursue an individual claim, to object to this settlement individually or through counsel, and to appear at the Final Approval Hearing.

7.3. If any Settlement Class Member wishes to object to the Settlement and/or to be heard at the Final Approval Hearing, the Settlement Class Member may submit a written objection in compliance with the requirements set forth in the Long Form Notice and the Preliminary Approval Order.

7.4. If any Settlement Class Member wishes to be excluded from this Settlement and the Settlement Class, the Settlement Class Member may do so by completing and submitting the online form at the Settlement Website or by mailing a valid request to opt-out, as described in the Long Form Notice, to the Settlement Administrator. Requests for exclusion must be submitted online by the Exclusion Deadline, or if mailed, must be *received* by the Settlement Administrator (not just postmarked) by the Exclusion Deadline, or they shall not be valid. For exclusion requests

that are submitted online, the Class Member shall have the opportunity to print a page immediately after submission showing the information entered and the date and time the request for exclusion was received. A Settlement Class Member who elects to opt-out of this Settlement and the Settlement Class shall not be permitted to object to this Settlement or receive any of the benefits of the Settlement. Settlement Class Members shall be encouraged, but not required, to provide their email addresses in their requests for exclusion.

7.5. At least fourteen (14) days prior to the Final Approval Hearing, the Settlement Administrator shall prepare a list of the names of the persons who have excluded themselves from the Settlement Class in a valid and timely manner, and Plaintiff's Counsel shall file that list with the Court, with service on Defendant's Counsel.

7.6. Effect if Settlement Not Approved or Agreement is Terminated. If this Agreement is not given preliminary or final approval by the Court, or if an appellate court reverses Final Approval of the Agreement, the Parties will be restored to their respective places in the litigation. In such event, the terms and provisions of this Agreement shall become null and void, will have no further force or effect with respect to the Parties and will not be used in this or any other proceeding for any purposes, and any Judgment or Order entered by the Court in accordance with the terms of this Agreement will be treated as vacated.

7.7. The proposed Preliminary Approval order and Long Form Notice will provide that any Settlement Class Members wishing to object or exclude themselves who fail to properly or timely file or serve any of the requested information and/or documents will be precluded from doing so.

7.8. If any objection is received by the Settlement Administrator, the Settlement Administrator shall forward the objection and all supporting documentation to counsel for the

Parties. At least twenty-one (21) days prior to the Final Approval Hearing, Plaintiff's Counsel shall file all such objections and supporting documentation with the Court. The failure of the Settlement Class Member to comply with the filing requirements of Section VII shall be grounds for striking and/or overruling the objection, even if the objection is submitted to the Settlement Administrator. At least seven (7) days prior to the Final Approval Hearing, Plaintiff's Counsel and defense counsel shall have the opportunity to submit a supplemental memorandum responding to any objections and requests for exclusion.

7.9. Upon Court Order, the Parties will have the right to obtain document discovery from and take depositions of any Objecting Class Member on topics relevant to the Objection.

7.10. If a Settlement Class Member submits both a Claim Form and an exclusion request, the Claim Form shall take precedence and be considered valid and binding, and the exclusion request shall be deemed to have been sent in error and rejected.

7.11. A Settlement Class Member who objects to the Settlement also may submit a Claim Form on or before the Claim Filing Deadline, which shall be processed in the same manner as all other Claim Forms. A Settlement Class Member shall not be entitled to an extension to the Claim Filing Deadline merely because the Settlement Class Member also has submitted an objection.

7.12. If more than ten percent (10%) of Settlement Class members opt-out of the Class Action Settlement, Defendant shall have the sole and absolute discretion to terminate the Settlement by giving notice of its intent to do so within ten (10) calendar days after the Settlement Administrator reports the final number of opt-outs.

## **VIII. RELEASES**

8.1. Releases Regarding Settlement Class Members and Released Parties. Upon the Effective Date, Plaintiff and the Settlement Class Members shall have unconditionally,

completely, and irrevocably released and discharged with prejudice, the Released Parties from any and all claims, liens, demands, actions, causes of action, rights, duties, obligations, damages, or liabilities of any nature whatsoever, whether legal or equitable or otherwise, known or unknown, whether arising under any international, federal, state, or local statute, ordinance, common law, regulation, principle of equity or otherwise, that were, or could have been, asserted in the Litigation and that arise out of or relate to the Allegations, or could have been asserted in the Litigation regarding the marketing, advertising, labeling, or sale of XTEND Products (the “Released Claims”). Upon Final Approval, Settlement Class Members shall be forever barred from initiating, maintaining, or prosecuting any Released Claims against Released Parties.

8.2. Waiver of Provisions of California Civil Code § 1542. Plaintiff shall, by operation of Final Approval and on the Effective Date, be deemed to have waived and hereby expressly waive the provisions, rights, and benefits of California Civil Code § 1542, and any similar law of any state or territory of the United States or principle of common law. In addition, Settlement Class Members shall, by operation of Final Approval, be deemed to have waived the provisions, rights, and benefits of California Civil Code § 1542, and any similar law of any state or territory of the United States or principle of common law, but only with respect to the matters released as set forth in section 8.2. California Civil Code § 1542 provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

8.3. Effectuation of Settlement. None of the above releases includes releases of claims to enforce the terms of the Settlement provided for in this Agreement.

8.4. No Admission of Liability. This Agreement reflects, among other things, the compromise and settlement of disputed claims among the Parties hereto, and neither this Agreement nor the releases given herein, nor any consideration therefore, nor any actions taken to carry out this Agreement are intended to be, nor may they be deemed or construed to be, an admission or concession of liability, or an acknowledgment of the validity of any claim, or defense, or of any point of fact or law (including, but not limited to, matters respecting class certification and/or arbitrability) on the part of any Party. Defendant expressly denies the Allegations. Neither this Agreement, nor the fact of settlement, nor the settlement proceedings, nor settlement negotiations, nor any related document, shall be used as an admission of any fault or omission by Defendant or the Released Parties, or be offered or received in evidence as an admission, concession, presumption, or inference of any wrongdoing by the Defendant or the Released Parties in any proceeding, except that this Agreement may be offered or received in evidence in such proceedings as may be necessary to consummate, interpret, or enforce this Agreement.

**IX. ADDITIONAL PROVISIONS.**

9.1. Label Disclosure. By the later of (a) 120 days following the Effective Date or (b) June 30, 2023 (“the Label Disclosure Date”), Woodbolt agrees that it will provide information on the labels of any Product that is manufactured after the Label Disclosure Date, that indicates the method it uses to calculate calories (i.e. the Atwater method) and that use of a different method may provide a different result and will direct consumers to a website that further explains its view on how calories are determined pursuant to Title 21 Chapter 1 Subchapter B §101.9. For the avoidance of doubt, prior to providing such information on its labels, Woodbolt shall have the right to use all existing stock of labels without this additional information, even after the Label

Disclosure Date, provided that such labels have been manufactured prior to the Label Disclosure Date.

9.2. Cooperation. All of the Parties, their successors and assigns, and their attorneys agree to work reasonably and cooperatively in order to obtain Court approval of this Agreement and to effectuate the Settlement, and to provide declarations to facilitate the Court's Preliminary Approval and Final Approval of the Settlement. The Parties further agree to cooperate in the Settlement administration process and implementation of the Settlement and to make all reasonable efforts to control and minimize the costs and expenses incurred in the administration and implementation of the Settlement.

9.3. Change of Time Periods. The time periods and/or dates described in this Agreement with respect to the giving of notices and hearings are subject to approval and change by the Court or by the written agreement of Plaintiff's Counsel and Defendant's Counsel without notice to Settlement Class Members.

9.4. Time for Compliance. If the date for performance of any act required by or under this Agreement falls on a Saturday, Sunday, or court holiday, that act may be performed on the next business day with the same effect as if it had been performed on the day or within the period of time specified by or under this Agreement.

9.5. Governing Law. This Agreement shall be governed by the laws of the State of Maryland without regard to conflicts of law principles.

9.6. Enforcement of this Agreement and Continuing Jurisdiction. The Court possesses exclusive and continuing jurisdiction over this Settlement Agreement and over all Parties and Settlement Class Members to interpret, effectuate, enforce, and implement this Settlement

Agreement. The Court shall have exclusive jurisdiction to resolve any disputes involving this Settlement Agreement.

9.7. Entire Agreement. The terms and conditions set forth in this Agreement constitute the complete and exclusive statement of the Agreement between the Parties hereto relating to the subject matter of this Agreement, superseding all previous negotiations and understandings, and may not be contradicted by evidence of any prior or contemporaneous Agreement. The Parties further intend that this Agreement constitutes the complete and exclusive statement of its terms as between the Parties, and that no extrinsic evidence whatsoever may be introduced in any agency or judicial proceeding, if any, involving the interpretation of this Agreement. Any amendment or modification of the Agreement must be in writing signed by Plaintiff's Counsel and Defendant's Counsel.

9.8. Modifications. Any amendment or modification of the Agreement must be in writing signed by all of the Parties to this Agreement or their counsel. The Parties agree that nonmaterial amendments or modifications to this Agreement may be made in writing after Preliminary Approval without the need to seek the Court's approval.

9.9. Advice of Counsel. The determination of the terms of, and the drafting of, this Agreement have been by mutual agreement after negotiation, with consideration by and participation of all Parties and their counsel. The presumption that uncertainties in a contract are interpreted against the party causing an uncertainty to exist is hereby waived by all Parties.

9.10. Binding Agreement. This Agreement shall be binding upon and inure to the benefit of the respective heirs, successors, and assigns of the Parties.

9.11. No Tax Advice. Neither Plaintiff's Counsel, nor Defendant's Counsel, intends anything contained herein to constitute legal advice regarding the tax consequences of any amount paid hereunder nor shall it be relied upon as such.

9.12. No Waiver. The waiver by any Party of any provision or breach of this Agreement shall not be deemed a waiver of any other provision or breach of this Agreement.

9.13. Requirement of Execution. This Agreement shall be valid and binding as to Plaintiff, the Settlement Class and Defendant upon (a) signature by Plaintiff, (b) signature by an authorized representative of Defendant, and (c) signature as to form by an authorized representative of each of the law firms defined as Plaintiff's Counsel and Defendant's Counsel.

9.14. Execution in Counterparts. This Agreement shall become effective upon its execution by all of the undersigned. The Parties may execute this Agreement in counterparts and/or by fax or electronic mail, and execution of counterparts shall have the same force and effect as if all Parties had signed the same instrument.

9.15. Extensions of Time. The Parties reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extension of time that might be needed to carry out any of the provisions of this Agreement.

All privileged settlement communications will remain confidential at all times, including following the filing of the Motion for Preliminary Approval. This provision will not prevent the disclosure of such information prior to the filing of the Motion for Preliminary Approval with the Court to (a) regulators, rating agencies, independent accountants, advisors, financial analysts, counsel, agents, any existing or potential insurers or reinsurers, experts, courts, co-counsel, the Released Parties, any existing or potential investor of or any existing or potential lender to any of the Released Parties, the Settlement Administrator as may reasonably be required to effectuate the Settlement, and/or as otherwise required to comply with any applicable law or regulation, (b) any Person or entity to whom the Parties agree in writing disclosure must be made to effectuate the Settlement, and/or (c) Defendant or any of the Released Parties as necessary for any reasonable commercial purpose.
