I want my family to look at me and say "damn, he's a super hero. He saw a vision for helping 100's of thousands and made it happen. He saw himself playing music in front of sold out shows and made it happen. He saw himself traveling the world with his family and made it happen. I'm proud to say he leads our family"

That right there is a dream come true, that's what keeps me pushing daily, that's why I'm always a warrior at heart❤️
