

Amare Global

March 27, 2019 · 🌐

At Amare we are leading the global mental wellness revolution.

Our vision requires more than cutting-edge, award winning products, and more than innovative programs — although these are essential. At the heart of our platform are the people spreading the word.

Through each of you, we are creating a global community of passionate people that are holistically changing lives — from microbiomes to mindfulness to finances.

Through each of you we are showing the world that you really can be a humanitarian entrepreneur. No one has to choose between

community of passionate people that are holistically changing lives — from microbiomes to mindfulness to finances.

Through each of you we are showing the world that you really can be a humanitarian entrepreneur. No one has to choose between making a difference, and making a stable income.

We invite you to join the mental wellness revolution!

"It is my greatest desire that Amare continues to attract people just like each of you—to lead the mental wellness revolution."

-Hiep Tran, CEO & Founder Amare Global
