Say hello to Tulum's newest residents;
The Rosa's 🌹

After visiting +40 countries, we realized Tulum was one of our favorite places on earth so about a year ago we contacted [@matthewlaymanhq](#) and purchased one of the first villas (pre construction) over at [@amaritulum](#) 🏠

Im stoked on not only creating more memories for Sky and the rest of our family but also creating a space for others that want to enjoy one of the most magical places in the world!

Be sure to follow [@skynellytulum](#) to see all villa updates, find out how you can rent it out for your family, tours, and special promotions we'll be having. Also

Gratitudes at an all time high, thank you lord for allowing us to add another property to the arsenal and meeting me where I am everyday 🙏❤️
