at tom's of maine, we don't just say good, we do good. our story starts in 1970 when tom and kate had a vision about companies taking action and doing real good: good for you, our planet and our communities. fifty years later we're doing even more. we make wonderfully-natural products, give back 10% of our profits, and work for real change... like developing the first of its kind recyclable tube!

to learn more about our stewardship model and what natural means at tom's - from natural ingredients to sustainable business practices - go to [www.tomsomaine.com](http://www.tomsomaine.com).
