Here is a friend of mine, college teammate, and brother, Reggie. He introduced me to Ambit Energy and ever since then I haven't looked back. He trained me and worked with me on the process and i can't think him enough for that. We are independent consultants working for Ambit and we are looking for more serious partners to grow with and build wealth. I've been with Ambit Energy for little over a month and I've seen about \$3k. I'm not bragging at all, because I'm definitely not satisfied with that. I joined Ambit to make about \$300-\$500 a MONTH but here I am making that literally in less than a week or so. The video on the right is one of my weekly checks (\$500) and the second one which is (\$100) is what i was working on for the following week. You really can do anything you set your mind to do. Hard work and dedication is all it takes. If you're interested please feel free to pm me and I would love to share this opportunity with any of you. Shoot, all of you to be honest.

Also did i forget to mention, we do this STRAIGHT FROM HOME AND ON OUR OWN TIME.

Good morning world as crazy as it been right with covid and loss of employment there's always a way to make extra money. I've been with Ambit for about 3 months now and I've already seen about \$10k. I'm not just saying that to flex or brag about my money I've made. I'm saying that to say this, if you want to make an extra \$500 a month or more you can with Ambit. I am looking for business partners to join on this journey with me. I mean serious business partners everything you do you will have to work for what you want. Ambit doesn't demand your time as much, but it demands your determination and Ambition. If you have those then you will be great in this business. If you're interested feel free to contact me. 💡 [#AmbitEnergy](#)
