I finally had a minute to put together a post about the amazing weekend I had with my BODi Partners. These are the most amazing women. I felt so special, so supported, and so happy 😊 And... with a group of people I have never even met before. We are bonded for life.

This company has already enriched my life so much. When I started less than a year ago I would have never guessed that at this stage if the game I would have already been able to meet BODi royalty 👑, participated in a workout 🏋️ LED BY Autumn Calabrese!!, traveled 🚗 to places I've never been, and on top of all of that...

I've hit my first monetary goal (💎 made enough to pay for my sons first year of high school 💎) I've leveled up to emerald 💚 in my business And I'm setting more goals for myself... 📈 Diamond Level 📈 here I come!!

And the best part is that you can join 🙌 me in this journey. When I started with BODi I didn't know what I was doing 🤷 I just knew that I wanted to change my life for the better. And here I am, not even a year 📅 later.. and I'm doing it. My life has changed for the better. I'm richer in life experiences, I've found an amazing, supportive community of women and I'm helping so many 🙏 people in the process. And on top of all that I'm getting compensated 💰 for it! I can't imagine my life without this community now and I look forward to many more years to come.
