Calerie International Network

December 7, 2020 · 🌐

Get paid on not one, but TWO comp plans!

#Calerie has created a Matrix Comp Plan INSIDE of a Binary Comp Plan where you are paid on a 2 x 16 force-filled Matrix with members joining the company internationally from over 100 pre-existing markets that are already open.

The only requirement qualifying you to earn up to \$300K/month on just the Matrix side is to sponsor two Active Brand Partners and Product Customer(s) with a monthly total of only 80 CV. THAT'S IT!

All of this plus many more ways to earn for under \$30 to reserve your spot!

CALERIE already has everything in place for enormous success:

- Superior All-Natural Products
- NO synthetics ever
- High Customer Retention
- Perfect Timing as a Start-Up
- Manufacturing Facility Ownership
- Supply-Chain/Distribution Ownership
- Production Management
