Discover CALERIE®

Inspired by a Duke University and NIH study, CALERIE® is an acronym:

It stands for Comprehensive Assessment of Long-term Effects of Reducing Intake of Energy.

Clinical trials and animal studies have shown that for most species, if you restrict the number of calories consumed, the organisms live longer.

In fact, calorie restriction (CR) is the only consistent intervention known to increase life span.

CALERIE® Company Profile

At CALERIE®, we aspire to build better nutritional products and promote the health and wellbeing of individuals and families around the world.

CALERIE® relies on the founding team's scientific research and fully-Integrated supply chain to establish a "short-path supply chain" and cross-border e-commerce platform to deliver high-quality dietary supplements to users and families worldwide.

CALERIE® upholds the brand core value of "Long-Termism, Balanced Symbiosis".

Inspired by the research spirit of Duke University and the American National Institute on Aging, CALERIE® established the brand concept of "Self Care Starts With Cell Care." and focused on the research and development of cellular level anti-aging dietary supplements.

As a part of our global community, CALERIE® undertakes corporate social responsibilities and continues to contribute public welfare assistance to the our community .

In 2021, CALERIE® established the "CALERIE® KID's CARE" program to deliver quality nutritional supplements to children in need.

CALERIE® Brand Core Values

Long-Termism & Balanced Symbiosis

Long-Termism

We believe that the long-term success of CALERIE® requires a total commitment of exceptional standards of service and management. This ensures CALERIE Brand Partners work together more effectively to support others with a willingness to share and embrace new ideas and continuously learn

This mindset of Long-Termism brings certainty and sustainable growth to CALERIE® and it is deeply rooted in our foundation as it is evident in our growth.

Balanced Symbiosis

We're a company of nutritional supplements and brand partners with a greater purpose: Together we are committed to create a sustainable balance of mutually beneficial symbiosis.

We strive to conduct CALERIE® business with integrity and with respect for the interests of those our activities may impact. We also strive to create an environment of Harmony & Balance where equality and inclusion is achievable for all. We desire to have respect and inclusion be the backbone of CALERIE® culture. We are committed to provide equal opportunity access and a cooperative opportunity be available to all our CALERIE® valued customers and brand partners to learn, grow, succeed and thrive.

We strive to advance equality to the benefit of all CALERIE® valued customers and brand partners.

CALERIE® Corporate Mission

Make Our Challenge Your Mission

Create Miracles Within You

By accomplishing personal achievement and corporate social responsibility, together will overcome "impossible" challenges.

CALERIE sets this challenge as our cooperate mission.

In the future, we look forward to helping more individuals and families achieve their dreams.

CALERIE® Supply Chain

CALERIE® has partnered with 4Excelsior to develop a fully-Integrated supply chain: From raw materials to finished products, from R&D to manufacturing; we own the entire process and all of the intellectual property involved in bringing our products to market.

Also this fully-Integrated supply chain along with 4Excelsior's logistics ensures CALERIE® delivers nutritional supplements directly from factory to the consumer's hand.

CALERIE® Founder

Steve Flipse
President & Founder of CALERIE®

CALERIE®'s founder Mr. Flipse, a United States Air Force veteran (BioEnvironmental), has worked tirelessly to unlock the cell-renewing properties of specialized natural ingredients through careful research and manufacturing technology. With 20 years of experience in the dietary supplement industry, Mr. Flipse possesses strong market and commercial awareness.

Mr. Flipse's vision is to design supplements that promote autophagy, also known as exercise and calorie restriction mimetics because of their impact on cellular health.

4Excelsior Founder

Lin-Yisheng

Ph.D in Polymer Chemistry, Georgia Institute of Technology.

Mr. Lin has been in the dietary supplement industry for nearly 20 years.

In 2014, he founded 4Excelsior, a state-of-art dietary nutritional supplement manufacturer, in Los Angeles CA USA where he has served as CEO/President since day one.

His R&D expertise and knowledge of Quality Control best practices are unparalleled and the foundation for Excelsior's growth, to provide customers with high quality, cost-effective nutrition and dietary supplements.

4Excelsior's deep commitment and high impact involvement includes the investment of consumer brands, including KOS, Fresh, Ultra2, SHOYO, GEN, etc., which are distributed in Costco, Walmart, Whole Foods stores and other E-commerce channels worldwide.

In 2020, Mr.Lin partnered with Steve together and created CALERIE® brand, focusing on global network marketing.
