energetix_official 🗨️ Kick-off 2022 - Watch the highlights 🗨️

Motivation, inspiration, entertainment, new jewellery and a bit of nostalgia – that's probably how best to describe our event to kick off ENERGETIX's 20th year. 🥰

The atmosphere was fantastic in spite of the fact that participation was mostly virtual while the success stories that many of the partners shared do show that we can be optimistic about the future. 😊
