natalia_sembiringdepari Always believe in words what is impossible for humans is very possible for the Lord Jesus. Very grateful for the achievements so far.

Before starting a business at JAFRA, to be honest, I was a little worried because I really don't like the MLM business. But for one reason or another, I ventured to join this business.

I started my career at Jafra at the end of 2019 until now, I have been focusing on the JAFRA business for almost 1 year.
I am so amazed by God's blessing to my life through JAFRA.

During a pandemic like this, God allowed me to receive a PLATINUM OTCA of 90 million plus my bonus with almost the same nominal value as the OTCA I received on December 7, 2020 yesterday.

Of course it wasn't easy to get to

Of course it wasn't easy to get to this point, but from the start I joined JAFRA I was determined to focus on this business and wanted to be a blessing to many people.

What I have done since the beginning of joining until now is to focus on helping the team and never leaving the team alone. I try my best to always give my best for the team. Until finally, PERSISTENT TEAM was able to give birth to almost 35 Leaders and this really makes me proud and touched.

proud and touched.

But I also know that all of this is not because of my and the team's strength and ability but because God intervened in it 🙏🙏

After I totaled it, it turned out that in 1 year of running JAFRA I was able to get an OTCA of 193,500,000. This is only OTCA, there are no bonuses and direct benefits and there are no gifts from JAFRA, such as the PCX motorbike which will be parked in front of the house in January.
