It's not pressure, it's a privilege to be self employed, to determine my own income, my own level of success, when I want to promote myself and when I'm ready to quantum leap... but also because I'm my own boss I can take a break, be a mom, have family time, travel and T R U L Y build a life I love! Mary Kay has given me the chance to truly live the American Dream!

March 7th was my 22 Anniversary with Mary Kay and THIS is the 10th car I've had the PRIVILEGE to drive off the lot!

Bloody knees for falling down, tears for broken dreams, women who walked away from their dreams, missing the goal, stopping short of the deadline, all of no's....

IT WAS ALL WORTH IT! I AM WORTH IT, MY FAMILY IS WORTH IT & SWEET GIRL, SO ARE YOU! Fight for your dreams! They'll never quit chasing you down til you quit running away! Your courage is calling today!

@nsd.stacy.james says "The calling in your heart, is the intention of your life!" YASSS!
