We've been home for a week from our wonderful all inclusive trip to Hard Rock Hotel, Punta Cana. When I joined PaperPie (formerly Usborne Books & More) almost 8 years ago I had no idea earning free vacations was even a thing. I have now earned 4 trips with them and I'm so thankful we have been able to take all of them as a family vacation.

A few highlights, the boys got their 2nd stamps in their passports ✈️, lots of yummy food and drinks (poolside slushies were the boys favorites) 🍹, waterslides with short lines💧 and the 3rd time getting to vacation with [Jamie](#) and family

I'm truly so thankful for what @sharepaperpie has done for my family, not just these amazing trips, but our home library, the boys love for learning and all the people I've met because of this journey
