Who wants to go to the new Baha Mar resort in the Bahamas?!?! 🔥🔥🔥

Primerica just announced the newest incentive trip!! For anyone out there who is curious to the options available, let me tell you my story...

I started Primerica part-time while I was a mechanical engineer. I worked part-time for 2 years. When I started, I never thought I could do something like this full time. I am one of the most introverted people out there - hence why I picked engineering. 🤔👨‍💻

Back in 2011, Primerica announced a trip to Orlando where they were going to shut down Universal Studios for a night, so Bailey and I started working like crazy to win that trip. After working hard for 90 days, we won!! 🙌🙌🙌

After winning our first trip while working part-time, we decided that I would leave engineering to pursue this full time. Here we are 7 years later, and we are more excited for our future now than we ever have been!

What if you could start part-time with us and go with us next February to Baha Mar?? The power of a part-time dream is a pretty amazing thing if you let it be!!! Let's go! 🔥🔥🔥
