It's ALMOST PAYDAY 📅 in my world of Scentsy and every time it hits, I think back on a year ago when we bought a new car and those payments are made from that payday alone 🤪

Its seriously changed my life y'all. In so many more ways then just the money aspect 💜

So...let me help you change yours. 🙌

No, changing your life doesn't have to mean quitting your job, buying a luxury car or buying your dream home. It doesn't have to mean making six figures from your phone. BUT IT CAN! 😊

💜 Changing your life can also mean not worrying about the school fees, back to school supplies, sports team fees, extracurriculars for kids or new tennis shoes and clothes for your kids.

💜 It can mean treating your family to dinner or taking your ENTIRE family to a week getaway to the beach. It can mean putting gas in your car and buying groceries and still having some extra cash to put back for Christmas.

🎉 Changing your life might just mean feeling excited to do something you love every day.

Let's change your life together. <Lets chat. Info costs nothing, so what do you have to lose?> Ask me how to earn your kit for very little or FREE. Let's do this!! 🙌

🤪 We have an AMAZING join special for August!

And...we just started our NEW incentive...we're all trying to earn a free all expense paid trip to Ohau, Hawaii! 🌴🌴

😍 I would so love for you to earn this trip with me!

Because I mention making money and a trip...I have to add our income disclosure..

ps: the government and its departments make me say "results not typical > see income disclosure statement at the link to see corporate averages in Scentsy."
