Anyone who says that "Network Marketing Doesn't Work" are the ones who are not willing to put in the work. 📄

📄

So let's change that... "Network Marketing Doesn't Work If YOU Don't Work." 📄

📄

That's better. 😊 📄

📄

In 2016 alone the direct selling industry grossed \$183 billion worldwide. It's one of the fastest-growing segments in the global economy and ranks higher in global sales than the music, movie, and gaming industry, the NFL and organic products. 📄

📄

Network marketing has also produced

Network marketing has also produced hundreds of thousands of millionaires and many more six and seven figure incomes. ::

::

It's true that not everyone succeeds at network marketing. However, that's true with any industry. Several business owners, bloggers, Amazon sellers, yoga teachers don't do as well as they would like to either. People in those industries fail or quit at it too, but you don't hear people saying that business ownership, blogging, Amazon or yoga doesn't work. ::

::

If it was truly only the people at the top making all the money, then how the heck did I get to where I am today? Because I started at zero just like everybody else. I had all the hesitations and worries just

started at zero just like everybody else. I had all the hesitations and worries just like everybody else. ::

::
The fact of the matter is that if you aren't willing to put in the work, then you will in fact fail at network marketing. ::

::
I do this for the time & financial freedom. That doesn't mean I don't work for it. ::

::
So keep coming at me with NWM myths. 😊 I'm ready. ::
