I took my dad with me & we stayed on the Dutch side at an all-inclusive resort.

Immediately when we got there, we scouted out a bar to watch the oilers game. We had already been up for almost 48 hours at that point, but some things take priorities over others 😅

It was a great experience and by far the nicest ocean I've ever swam in! It's so clear that you can see all the way to the bottom almost wherever you are in the

clear that you can see all the way to the bottom almost wherever you are in the ocean! 🌊

Also, watching the planes land so close to you (and right over your head if you're at Maho beach) is the coolest thing ever! It never got old, haha! ✈️

I can't wait for the trip to Panama in 2023! 🤔 Who wants to earn their way with me??
