Why have 13 new people joined my team in just the past 2 weeks?! 🤔 🌟 🌟 🌟 🌟

🌟 🌟

I've been consistently working on building a team now for about 3 years and my biggest aspiration is to inspire others & help those who want to make a difference. 🌟 🌟 🌟 🌟

🌟 🌟 🌟 🌟

A difference in their income. A difference in their self-confidence. A difference in their families. 🤝 🌟 🌟 🌟 🌟

🌟 🌟 🌟 🌟

Right now, I am working 1on1 with my newbies to complete their launch events & help them qualify for their \$1 kit! I already have newbies hitting their first rank too! 🤔 🌟 🌟

👍👍

I've also started my New Sip Mentorship Program for these 13 motivated women & I'm so excited for them to continue to crush this! 🌟🌟🌟

🌟🌟🌟🌟

You're in this business for yourself, but never by yourself. My team is really something special & I'm so proud of the positive, encouraging, & empowering community I've created within my team today. 💖🌟🌟🌟

🌟🌟🌟🌟

They keep me motivated & excited to be a part of something so much bigger than just an "extra income opportunity." 🌟🌟🌟🌟

🌟🌟🌟🌟

With the brand new catalog & diving into our busiest months yet, it's seriously the BEST time to get motivated & do something for yourself! 🌟
