I have a hobby that pays for itself and more! About one year ago, I joined Sipology (formerly Steeped Tea) as an independent consultant and I love what I do. I earn a minimum of 25% of sales (including my own so that is like a 25% discount), have earned many host discounts and products from Sipology. I have built a community and met friends in the business and through a real or virtual cup of tea.

March Madness includes 2 amazing opportunities for new consultants and an opportunity for you to make \$1000 in 30 days! Want to know more? Comment below or DM me! Let's be Tea-mates!!

QOTD- what would you do with an extra
