The Lumber Mill Antique Mall

What does my commission buy from Trades of Hope? Anything I want 😄  
Today I'm out at The Lumber Mill Antique Mall with my girls and looking at all the goods! Most of my commissions goes back to purchasing Trades of Hope products, like this amazing camel belt bag and strap (that is perfect for day shopping) and paying for family outings ❤️ We got to eat @therealhinkles and it was so yummy! Be sure to get a milkshake!

What would you do with an extra income?
