carynwinesalot Well, it's official ~ I've earned a spot on my THIRD LUXX Getaway with @travelingvineyard !

In January, I'll get to cruise to the Bahamas with my wine family — and it's all thanks to my wonderful hosts, customers, team members, friends, and family (especially that amazing hubby of mine, Joseph) that have supported me & my business over the past year! It means the world to me that you choose me as your "Wine Lady", and I am forever grateful! I can't wait to set sail!! Cheers! 🍷
