When I first joined Prüvit, I didn't know what to expect. I didn't know how successful I'd be as a promoter, or if I even would be successful. Yes. I was uncertain.

Yes. I had my own fears in starting something new.

But after seeing all the things ketones did to help improve my life after just ONE week...

I WAS HOOKED!!

And I needed to share this with as many people as I possibly could.

My heart and soul has been with this company for three years now (it's my Prüvit-anniversary 🥰),

And as the days, months & years go by... I am SO GRATEFUL for this company and for it coming to me when it did.

It's also pretty ironic that minutes before I was getting ready to take this picture, it randomly got really dark and started to pour rain.

Then after about 10 minutes, it stopped and out came the sunshine and

Forever grateful for the "rain and dark skies" in my life and grateful for Prüvit for being my sunshine and allowing me to shine again ☀️
