5. TEAM COMMISSIONS - PAID MONTHLY

Vida Divina has established one of the most rewarding Team Commission plans in the Network Marketing industry. Not only do we pay up to 20% on your pay leg, but as long as you remain Active there is **NO FLUSHING!** Your monthly earning potential is **\$80,000 per Business Center.**

Team Commissions require you to build 2 Teams, one on your Left and one on your Right. At the end of every month, we look at the volume in both Legs and pay you a percentage of your Pay Leg (lesser volume) based on your official closed out Rank from the previous month. Once that is paid out, any unused volume is carried over to the following month.

To qualify for Team Commissions, you must be Active with 120PV, have a personally enrolled Affiliate on your Left side and your Right side with 120PV each.

QUALIFYING FOR TEAM COMMISSION CHECKS

Current Month Personal Volume	One (1) Personally Enrolled Affiliate In Left Leg With...	One (1) Personally Enrolled Affiliate In Right Leg With...
120PV	120PV	120PV

*Any Personal Volume (PV) over the required 120 will be considered Excess Volume and is applied to the Team (Leg) with the least Total Volume. Excess Volume can move from side to side during the month based on total volume in that Leg.

6. ACCELERATED TEAM BONUS - PAID MONTHLY

Since we do not offer an auto-ship program, we have designed a Revolutionary Bonus Plan that rewards Affiliates for earning their Active Status early in the month.

The Accelerated Team Bonus is an addition to your current monthly Team Commissions. This Bonus is based on the date an Affiliate accumulates the required monthly Personal Volume (PV) to earn their Active Status.

Date PV is Accumulated	Accelerated Team Bonus
1st - 7th day of each month	+5%
8th - 14th day of each month	+3%
15th - 21st day of each month	+1%
22nd - End of the month	+0%

* Affiliate must be Team Commission Qualified to earn the Accelerated Team Bonus.

Example: If you closed out the Current Month as a Ruby, you are eligible to receive 15% Team Commissions the following month. If you became Active by the 7th of the Current Month, you will receive an Accelerated Team Bonus of 5%, therefore your Team Commissions for the following month would be $15\% + 5\% = 20\%$.
