We're excited to announce Sheena Souza is the newest US Founders Club 2.0 member! 🎉

Sheena joined doTERRA eight years ago in June 2015, and she's dedicated her life to holistic wellness and compassion ever since. In 2016, Sheena moved to a remote village in Haiti, where she's spent much of her time and energy helping at an orphanage, elderly home, and medical clinic. She's so grateful her monthly income from doTERRA covers her needs so she can focus on helping people.

Sheena embodies love and compassion. Her efforts as a Wellness Advocate, sharing doTERRA® products, have allowed her to witness many miracles

Her efforts as a Wellness Advocate, sharing doTERRA® products, have allowed her to witness many miracles. That's why, eight years later, she's still so passionate about doTERRA. "Continually seeing people's lives changed by these natural wellness solutions provides above and beyond for me and my family in a way that no nine-to-five job ever could," Sheena says. "It's a beautiful reciprocal loop, which I hope never ends!"

When asked what her best piece of advice would be for someone trying to become a Founder 2.0, Sheena says, "No one is your boss, so an extreme amount of self-discipline and self-motivation is required to have a successful doTERRA business."
