**CLASS ACTION COMPLAINT**

Now comes Plaintiff, Frank Herin (“Plaintiff”), on behalf of himself and all other similarly situated, through Counsel, and pursuant to 735 ILCS §§ 5/2-801 and 2-802, and 740 ILCS § 740/14/15, against Defendant, The Meet Group (“Defendant”), its subsidiaries and affiliates, to redress and curtail Defendant’s unlawful collections, obtainments, use, storage, and disclosure of Plaintiff’s sensitive and proprietary biometric identifiers and/or biometric information (collectively referred to herein as “biometric data” and/or “biometrics”). Plaintiff alleges as follows upon personal knowledge as to himself, his own acts and experiences and, as to all other matters, upon information and belief including investigation conducted by his attorneys.

**NATURE OF THE ACTION**

1. MeetMe is an online dating referral service.
2. Plaintiff, Frank Herin, opened a MeetMe account within the five (5) years immediately preceding the filing of this Complaint.
3. As part of signing up, and/or gaining access to his MeetMe account, Plaintiff was required to allow MeetMe to collect his facial geometry, *i.e.*, his biometric information.

FILED DATE: 8/14/2023 9:33 PM 2023CH07440

4. Facial geometry scans are unique, permanent biometric identifiers associated with each user that cannot be changed or replaced if stolen or compromised.

5. MeetMe collects, stores, possesses, otherwise obtains, uses, and disseminates its users' biometric data.

6. MeetMe wrongfully profits from the facial scans it has collected or otherwise obtained from its users.

7. The Illinois legislature enacted BIPA to protect residents' privacy interests in their biometric data. *See Heard v. Becton, Dickinson & Co.*, 440 F. Supp. 3d 960, 963 (N.D. Ill. 2020), citing *Rosenbach v. Six Flags Entm't Corp.*, 2019 IL 123186, 432 Ill. Dec. 654, 129 N.E.3d 1197, 1199 (2019).

8. Courts analogize an individual's privacy interest in her unique biometric data to her interest in protecting her private domain from invasion, such as from trespass. *See Bryant v. Compass Group USA, Inc.*, 958 F.3d 617, 624 (7th Cir. 2020), as amended on denial of reh'g and reh'g en banc, (June 30, 2020) and opinion amended on denial of reh'g en banc, 2020 U.S. App. LEXIS 20468, 2020 WL 6534581 (7th Cir. 2020).

9. In recognition of these concerns over the security of individuals' biometrics – particularly in the City of Chicago, which has been selected by major national corporations as a “pilot testing site[] for new applications of biometric-facilitated financial transactions, including finger-scan technologies at grocery stores, gas stations, and school cafeterias” (740 ILCS 14/5(b)) – the Illinois Legislature enacted the BIPA, which provides, inter alia, that a private entity like Luxy may not obtain and/or possess an individual's biometrics unless it: (1) informs that person in writing that biometric identifiers or information will be collected or stored; (2) informs that person in writing of the specific purpose and length of term for which such biometric identifiers

or biometric information is being collected, stored and used; (3) receives a written release from the person for the collection of his or her biometric identifiers or information; and (4) publishes publicly-available written retention schedules and guidelines for permanently destroying biometric identifiers and biometric information. 740 ILCS 14/15(a)-(b).

10. The Illinois Legislature has found that “[b]iometrics are unlike other unique identifiers that are used to access finances or other sensitive information.” 740 ILCS 14/5(c). “For example, social security numbers, when compromised, can be changed. Biometrics, however, are biologically unique to the individual; therefore, once compromised, the individual has no recourse, is at heightened risk for identity theft, and is likely to withdraw from biometric-facilitated transactions.”*Id.*

11. MeetMe is a “private entity” as that term is broadly defined by BIPA and MeetMe is subject to all requirements of BIPA. *See* 740 ILCS § 14/10.

### **JURISDICTION AND VENUE**

12. This is a Class Action Complaint for violations of the Illinois Biometric Information Privacy Act (740 ILCS § 14/1 *et seq.*) brought pursuant to 735 ILCS §§ 5/2-801, 2-802 seeking statutory damages.

13. Venue is proper in this Court because a substantial amount of the acts and omissions giving rise to this Action occurred within this state and Defendant is a resident of a different state.

14. At all relevant times, Plaintiff is a resident of the state of Illinois and the violations of BIPA as detailed herein occurred while Plaintiff was located in Illinois.

15. MeetMe is a corporation located in Pennsylvania which markets itself and does substantial business with users located in and residing within the State of Illinois.

16. MeetMe markets directly to Illinois residents, including but not limited to Facebook and Instagram posts directed towards Illinois residents.

17. MeetMe's marketing efforts directed towards Illinois were a factor in Plaintiff's decision to open an account with MeetMe.

**FACTUAL ALLEGATIONS COMMON TO ALL CLAIMS**

18. Plaintiff realleges and incorporates by reference all allegations in all preceding paragraphs.

19. Plaintiff opened a MeetMe account within the five years immediately preceding the filing of this Complaint.

20. As part of signing up, and/or gaining access to his MeetMe account, Plaintiff was required to allow MeetMe to collect his facial geometry, *i.e.*, his biometric information in order to verify their identities and ensure that such users can meet the standards required by MeetMe in order to have access to the dating site.

21. At the time of collecting and retaining Plaintiff's biometric information, MeetMe had no written policy, made available to the public, establishing a retention schedule and guidelines for permanently destroying biometric information when the initial purpose for collecting or obtaining such biometric information has been satisfied or within 3 years of the individual's last interaction with MeetMe, whichever occurs first.

22. MeetMe did not inform Plaintiff in writing that MeetMe was collecting or storing his biometric information.

23. In fact, MeetMe made no mention of biometric information, collection of biometric information, or storage of biometric information.

24. Moreover, MeetMe did not inform Plaintiff in writing of the specific purpose and length of term for which his biometric information was being collected, stored, and used.

25. MeetMe collected, stored, and used Plaintiff's biometric information without ever receiving a written release executed by Plaintiff which would consent to or authorize MeetMe to do the same.

26. MeetMe has sold, leased, traded, or otherwise profited from Plaintiff's biometric identifier or biometric information. 740 ILCS § 14/15(c).

27. Additionally, MeetMe disclosed, redisclosed, or otherwise disseminated a Plaintiff's information (1) without Plaintiff's consent; (2) without Plaintiff's authorization to complete a financial transaction requested or authorized by; (3) without being required by State or federal law or municipal ordinance; or (4) without being required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

28. MeetMe's collection and retention of biometric information as described herein is not unique to Plaintiff and is instead part MeetMe's policy and procedures which MeetMe applies to all of its users, including the Class Members.

#### **CLASS DEFINITIONS AND ALLEGATIONS**

29. Plaintiff realleges and incorporates by reference all allegations in all preceding paragraphs.

30. Plaintiff brings Claims for Relief in violation of BIPA as a class action on behalf of himself and all members of the following Rule 23 Class:

**All Illinois residents who had their biometric information collected by MeetMe at any point in the five (5) years preceding the filing of this Complaint.**

31. In the alternative, and for the convenience of this Court and the parties, Plaintiff may seek to certify other subclasses at the time the motion for class certification is filed.

32. **Numerosity.** The Class Members are so numerous that joinder of all members is impracticable. Plaintiff is informed and believes that there are more than 1,000 people who satisfy the definition of the Class.

33. **Existence of Common Questions of Law and Fact.** Common questions of law and fact exist as to Plaintiff and the Class Members including, but not limited to, the following:

a. Whether MeetMe possessed Plaintiff's and the Class Members' biometric identifiers or biometric information without first developing a written policy, made available to the public, establishing a retention schedule and guidelines for permanently destroying biometric identifiers and biometric information when the initial purpose for collecting or obtaining such identifiers or information has been satisfied or within 3 years of the individual's last interaction with MeetMe, whichever occurs first.

b. Whether MeetMe collected, captured, purchased, received through trade, or otherwise obtained Plaintiff's and the Class Members' biometric identifier or biometric information, without first: (1) informing Plaintiff and the Class Members in writing that a biometric identifier or biometric information is being collected or stored; (2) informing Plaintiff and the Class Members in writing of the specific purpose and length of term for which their biometric identifier or biometric information was being collected, stored, and used; and (3) receiving a written release executed by Plaintiff and the Class Members

c. Whether MeetMe sold, leased, traded, or otherwise profited from Plaintiff's and the Class Members' biometric identifier or biometric information.

d. Whether MeetMe disclosed, redisclosed, or otherwise disseminated Plaintiff's and the Class Members' biometric identifiers or biometric information (1) without Plaintiff's and the Class Members' consent; (2) without Plaintiff's and the Class Members' authorization to complete

a financial transaction requested or authorized by Plaintiff and the Class Members; (3) without being required by State or federal law or municipal ordinance; or (4) without being required pursuant to a valid warrant or subpoena issued by a court of competent jurisdiction.

e. The damages sustained and the proper monetary amounts recoverable by Plaintiff and the Class Members.

34. **Adequacy.** Plaintiff will fairly and adequately represent and protect the interests of the Class Members. Plaintiff has retained counsel competent and experienced in complex class actions.

35. **Appropriateness and Efficiency.** Class certification is also appropriate and efficient because questions of law and fact common to the Class Members predominate over questions affecting only individual members of the classes, and because a class action is superior to other available methods for the fair and efficient adjudication of this litigation. Luxy's common and uniform policies and practices illegally deprived Plaintiff and the Class Members of the privacy protections which BIPA seeks to ensure; thus, making the question of liability and damages much more manageable and efficient to resolve in a class action, compared to hundreds of individual trials. The damages suffered by individual Class Members are small compared to the expense and burden of individual prosecution. In addition, class certification will obviate the need for unduly duplicative litigation that might result in inconsistent judgments about Luxy's practices.

**COUNT ONE: VIOLATION OF 740 ILCS § 14/15(a)**

36. Plaintiff realleges and incorporates by reference all allegations in all preceding paragraphs.

**WHEREFORE**, individually, and on behalf of the Class Members, the Plaintiff prays for:

(1) certification of this case as a class action appointing the undersigned counsel as class counsel;

(2) a declaration that MeetMe has violated BIPA, 740 ILCS 14/1 *et seq.*; (3) statutory damages of \$5,000.00 for the intentional and reckless violation of BIPA pursuant to 740 ILCS 14/20(2), or
