Are there other perks to being a Brand Partner?

In addition to earning commission on your own sales, you can earn additional bonuses, and overrides are possible when you lead your own team. Incredible opportunities to earn free books, monthly incentives, and free vacations are a few of the additional perks that our Brand Partners love. We believe the relationships, experiences, and skills gained here are a huge perk that benefit you and your family, not only in your business but also in your personal life.
