

## WHAT YOU NEED TO KNOW ABOUT THE ZURVITA BUSINESS OPPORTUNITY

### Independent Consultant Earnings Statement

#### WHAT IS ZURVITA?

Zurvita is a direct sales company offering health and wellness products in the USA, Canada, and Mexico.

Zurvita was founded in 2008 and has three founding principles: (1) build a company that honors and glorifies God; (2) develop a company with humble leadership; and (3) create a company where people can win at every level. Every decision, every product, and every opportunity are inspired by these three deeply rooted principles.

Zurvita's line of wellness products support a healthy lifestyle.

#### WHAT IS THE ZURVITA BUSINESS OPPORTUNITY?

Independent Consultants believe in the benefits of Zurvita's health and wellness products and core principles and prefer the flexibility of a business they control. Zurvita Independent Consultants earn commissions by selling products to their customers and building a team of other like-minded Independent Consultants who love and want to share our products.

#### HOW DO I PARTICIPATE?

- You are not required to carry any inventory.
- You will set your own schedule and determine how and when you work.
- Most people begin their Zurvita business by selling our products part time to their friends and family to make a little extra money.
- Building a successful Zurvita business, like building any business, takes time, hard work, and expense.
- Not all Consultants will be successful.
