↓ Rich ≠ Wealth, let me explain

You may think because you have a high paying job that gets you into one of these categories, you are immediately apart of the 1%.

You couldn't be more wrong. Income is different than wealth

Last night I did an exclusive training on the "Wealth Triangle" where I taught members of our community what are the best high-income skillsets, how to scale their business for cashflow, and the fundamentals of diversifying in high-return investments.

Wealth is time, rich is income. My goal
