Leaders lead, not just in business but all areas; especially their families 100

Remember y'all, out of sight is out of mind. A lot of us chase our goals for our families but keep them out of the equation at the same time.

I try to include my family in everything and anything. Team trips? They are there. Music tours? They are there. Studio time? They are there. Tours for the biz? They are there.

I refuse to allow the reason I sacrifice to be the sacrifice 🙏
