★A brand new look & experience with the same great formula that you know and trust.

Brand new Bottle Design- introducing a new smaller bottle with less plastic

Brand New Way to Take- A simpler routine with 2 tablets ONCE daily

Same Trusted Formula- same safe & effective formula in a 1-month supply

👉 You can choose to continue to take Equelle as you have been or choose the 1x a day option.

Because every woman with menopause is unique in her experience.
