

EQUELLE®

EQUELLE mimics
estrogen to safely
relieve my
menopause
symptoms.†

PLANT-BASED

NO HORMONES‡

equelleofficial • 125w

You're no stranger to creating your own path. Why would menopause be any different? You know what you want, and you're not going to sit back and wait for your symptoms to subside while the world moves forward without you. EQUELLE is hormone-free relief without compromise.†‡ Be a #Shero and tell other women how you rise to the occasion of menopause in the comments.
