🎉 Hip-hip-hooray for hot flash relief!

#ad ❤️ Remember a few weeks ago when I mentioned EQUELLE and how I was going to start taking it to help with my surgically induced menopause symptoms? I'm happy to report back that I am starting to feel some relief!

I have tried hormone replacement medication, and it just never worked for me. It left me with no relief, feeling defeated. I was honestly just tired of feeling like I have no control of my body. I was tired of having terrible hot flashes that left me in a pool of sweat. I was also experiencing muscle aches, something that EQUELLE can help with, too! † I am so excited that @EQUELLEofficial is
