

**IN THE UNITED STATES DISTRICT COURT FOR THE
FOR THE EASTERN DISTRICT OF PENNSYLVANIA**

KENNETH HASSON, individually and on behalf of all others similarly situated, Plaintiffs, v. COMCAST CABLE COMMUNICATIONS LLC, COMCAST CORPORATION, CITRIX SYSTEMS, INC., and CLOUD SOFTWARE GROUP, INC., Defendants. This Document Relates to: All Actions	Master File No. 2:23-cv-05039-JMY
---	-----------------------------------

PRELIMINARY APPROVAL ORDER

WHEREAS, Settlement Class Representative Plaintiffs and Defendants Comcast Cable Communications, LLC and Comcast Corporation (together, “Comcast” or “Defendant” and with Plaintiffs collectively, the “Parties”), have applied for an order, pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, regarding certain matters in connection with a proposed settlement of the Action, in accordance with the Class Action Settlement Agreement and Release (the “Settlement” or “Settlement Agreement”) entered into by the Parties as of December 23, 2025 (which, together with its exhibits, is incorporated herein by reference) and dismissing the Action upon the terms and conditions set forth in the Settlement Agreement;

WHEREAS, all capitalized terms used in this Order have the same meanings as set forth in the Settlement Agreement;

WHEREAS, the Parties reached a settlement as a result of arm’s-length negotiations between the Parties and their counsel, under the supervision of a preeminent mediator, the Hon. Diane M. Welsh (Ret.); and

WHEREAS, the Court has carefully reviewed the Settlement Agreement, including the exhibits attached thereto and all files, records, and prior proceedings to date in this matter, and good cause appearing based on the record;

IT IS HEREBY ORDERED that:

The Settlement Agreement, including the exhibits attached thereto, are preliminarily approved as fair, reasonable, and adequate, in accordance with Rule 23(e) of the Federal Rules of Civil Procedure, pending a Final Approval Hearing on the Settlement as provided herein.

1. Stay of the Action. Pending the Final Approval Hearing, all proceedings in the Action, other than proceedings necessary to carry out or enforce the terms and conditions of the Settlement Agreement and this Order, are hereby stayed.

2. Directive to Issue Notice to Settlement Class. Pursuant to Federal Rule of Civil Procedure 23(e), the Court finds that it has sufficient information to enable it to determine whether to give notice of the proposed Settlement to the Settlement Class. The Court further finds that the proposed Settlement and Notice Plan meet the requirements of Rule 23(e) and that the Court will likely be able to certify the Settlement Class for purposes of judgment on the Settlement.

The Court finds that the Settlement Class Representatives and Class Counsel have adequately represented the Settlement Class. The Court further finds that the Settlement was negotiated at arm's length by informed and experienced counsel, who were overseen by a retired United States Magistrate Judge acting as mediator. The relief provided to the Settlement Class under the Settlement is adequate. There would be substantial costs, risks, and delay associated with proceeding to trial and potential appeal. The method proposed for distributing relief to the Settlement Class and processing claims, including the Consumer Settlement Benefits Plan, is adequate and effective. The proposed award of Attorneys' Fees and Expenses, including the timing

of such payment, is reasonable, subject to the Court's review of a timely filed fee application. The Court further finds that the proposed Settlement treats Settlement Class Members equitably relative to each other.

For these reasons, the Court concludes and determines that it will likely be able to certify the proposed Settlement Class under Rule 23(b)(3) of the Federal Rules of Civil Procedure, as it finds that: (a) the Settlement Class certified herein comprises millions of persons, and joinder of all such persons would be impracticable; (b) there are questions of law and fact that are common to the Settlement Class, and those common questions of law and fact predominate over any questions affecting any individual Settlement Class Member; (c) the claims of the Settlement Class Representatives are typical of the claims of the Settlement Class they seek to represent for purposes of the Settlement; (d) a class action is superior to other available means of adjudicating this dispute; and (e) as set forth below, Settlement Class Representatives and Class Counsel are adequate representatives of the Settlement Class.

3. Class Definition. The Court hereby certifies, for settlement purposes only, a Settlement Class consisting of: All persons residing in the United States and its territories who were sent individual notification of the Data Breach, which occurred in October 2023, and was publicly disclosed by Comcast in December 2023. Excluded from the Settlement Class are (i) Comcast, any entity in which Comcast has a controlling interest, and Comcast's officers, directors, employees, legal representatives, successors, subsidiaries, and assigns; (ii) any judge, justice, or judicial officer presiding over the Action and the members of their immediate families and judicial staff; (iii) any individual who timely and validly opts out of the Settlement; and (iv) all individuals who on or before the filing of Plaintiffs' Motion for Preliminary Approval either (1) filed a written arbitration demand or petition against Comcast relating to the Data Breach but have not signed a

release of their claims against the Released Parties, (2) provided written notice to Comcast that they are currently represented by counsel for an arbitration claim related to the Data Breach but have not signed a release of their claims against the Released Parties, or (3) released their claims against the Released Parties.

4. Settlement Class Representatives. For purposes of the Settlement only, the Court finds and determines, pursuant to Rule 23(a) of the Federal Rules of Civil Procedure, that Plaintiffs identified in Exhibit B to the Settlement Agreement (“Settlement Class Representatives”) will fairly and adequately represent the interests of the Settlement Class in enforcing their rights in the Action and appoints them as Settlement Class Representatives. The Court preliminarily finds that they are similarly situated to absent Settlement Class Members and are therefore typical of the Settlement Class, and that they will be adequate class representatives.

5. Class Counsel. The Court appoints Class Counsel consisting of Co-Lead Counsel Gary F. Lynch of Lynch Carpenter LLP and Norman E. Siegel of Stueve Siegel Hanson LLP, and Co-Liaison Counsel James A. Francis of Francis Mailman Soumilas, P.C. and Charles E. Schaffer of Levin Sedran & Berman LLP to act on behalf of the Settlement Class Representatives and the Settlement Class with respect to the Settlement. The Court authorizes Class Counsel to enter into the Settlement on behalf of the Settlement Class Representatives and the Settlement Class, and to bind them all to the duties and obligations contained therein, subject to final approval by the Court of the Settlement.

6. Notice Provider and Settlement Administrator. The Court appoints Kroll Settlement Administration LLC as Settlement Administrator to administer the Notice Plan and the processing of claims. The Court directs that the Settlement Administrator effectuate the Settlement Agreement in coordination with Class Counsel, subject to the jurisdiction and oversight of this Court.

7. CAFA Notice. Within ten (10) days after the filing of the Motion for Preliminary Approval, Comcast shall serve or cause to be served a notice of the proposed Settlement on appropriate state officials in accordance with the requirements of the Class Action Fairness Act of 2005, 28 U.S.C. § 1715(b).

8. Notice Plan. The Notice Plan submitted with the Motion for Preliminary Approval and the forms of notice attached thereto satisfy the requirements of Federal Rule of Civil Procedure 23 and are thus approved. Non-material modifications to the notices may be made without further order of the Court. The Settlement Administrator is directed to carry out the Notice Plan in conformance with the Settlement Agreement and to perform all other tasks that the Settlement Agreement requires. Prior to the Final Approval Hearing, Class Counsel shall cause to be filed with the Court an appropriate declaration with respect to complying with the provisions of the Notice Plan.

The Court further finds that the form, content, and method of giving notice to the Settlement Class as described in the Notice Plan submitted with the Motion for Preliminary Approval: (a) constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Action, the terms of the proposed Settlement, and their rights under the proposed Settlement; (c) are reasonable and constitute due, adequate, and sufficient notice to those persons entitled to receive notice; and (d) satisfy the requirements of Federal Rule of Civil Procedure 23, the constitutional requirement of due process, and any other legal requirements. The Court further finds that the notices are written in plain language, use simple terminology, and are designed to be readily understandable by Settlement Class Members.

9. Class List; Identification of Arbitrations. On or before **February 16, 2026**,

Comcast shall provide to the Settlement Administrator a Class List, which shall include Settlement Class Members' full names and email addresses (to the extent available) as reflected in Comcast's records. Comcast shall also provide the Settlement Administrator a list of those individuals who on or before the filing of Plaintiffs' Motion for Preliminary Approval, either (1) filed a written arbitration demand or petition against Comcast relating to the Data Breach but have not signed a release of their claims against the Released Parties, (2) provided written notice to Comcast that they are currently represented by counsel for an arbitration claim related to the Data Breach but have not signed a release of their claims against the Released Parties, or (3) released their claims against the Released Parties, and are therefore not Settlement Class Members.

10. Provider of Identity Defense Services and Restoration Services. The Court appoints CyEx as the provider of Identity Defense Services and Restoration Services to eligible Settlement Class Members as set forth in the Consumer Settlement Benefits Plan. The Court directs that CyEx effectuate the Settlement Agreement in coordination with Class Counsel and the Settlement Administrator, subject to the jurisdiction and oversight of this Court.

11. Consumer Settlement Benefits Plan. The Court has reviewed and considered the Consumer Settlement Benefits Plan proposed by Class Counsel and finds that it is fair and reasonable and equitably distributes Settlement benefits amongst Settlement Class Members. The Court directs Class Counsel, the Settlement Administrator, and CyEx to implement the Consumer Settlement Benefits Plan in accordance with its own terms, the Settlement Agreement, and the Court's orders.

12. Deadline to Submit Claim Forms. As set forth in the Consumer Settlement Benefits Plan, Settlement Class Members will have until **August 14, 2026** to submit their claim forms ("Claims Deadline"), which is adequate and sufficient time.

13. Exclusion from Settlement Class. Any person falling within the definition of the Settlement Class may, upon request, be excluded or “opt out” from the Settlement Class. Any such person who desires to request exclusion must submit written notice of such intent online through the claims portal or via United States mail to the designated Post Office box established by the Settlement Administrator. The written notice must (i) identify the case name of the Action; (ii) identify the name and address of the individual seeking exclusion from the Settlement; (iii) be personally signed by the individual seeking exclusion; (iv) include a statement clearly indicating the individual’s intent to be excluded from the Settlement; and (v) request exclusion only for that one individual whose personal signature appears on the request. Opt-out requests seeking exclusion on behalf of more than one individual shall be deemed invalid by the Settlement Administrator. To be effective, the written notice shall be postmarked no later than the Opt-Out Deadline or submitted online through the claims portal and verified no later than the Opt-Out Deadline in accordance with the Settlement. To be effective, opt-out requests submitted online must timely verify the request using the link sent to the individual who submitted the request for exclusion. All those persons submitting valid and timely notices of exclusion shall not be entitled to receive any benefits of the Settlement.

Any Settlement Class Member who does not timely and validly exclude themselves from the Settlement shall be bound by the terms of the Settlement. If final judgment is entered, any Settlement Class Member who has not submitted a timely, valid written notice of exclusion from the Settlement Class shall be bound by all subsequent proceedings, orders, and judgments in this matter, including but not limited to the release set forth in the Settlement Agreement and incorporated in the Judgment.

14. Final Approval Hearing. A hearing will be held by this Court in the Courtroom of the Honorable John Milton Younge, United States District Court for the Eastern District of Pennsylvania, **James A. Byrne Courthouse, Courtroom 15-B, 601 Market Street, Philadelphia, PA 19106, at 10:00 A.M. on July 7, 2026** (“Final Approval Hearing”), to determine: (a) whether the Settlement should be approved as fair, reasonable, and adequate to the Settlement Class; (b) whether a Final Approval Order and Judgment should be entered; (c) whether the Settlement benefits as proposed in the Settlement Agreement and Consumer Settlement Benefits Plan should be approved as fair, reasonable, and adequate; (d) whether to approve the application for Service Awards for the Settlement Class Representatives and an award of Attorneys’ Fees and Expenses; and (e) any other matters that may properly be brought before the Court in connection with the Settlement. The Court may approve the Settlement with such modifications as the Parties may agree to, if appropriate, without further notice to the Settlement Class.

15. Objections and Appearances. Any Settlement Class Member may enter an appearance in the Action, at their own expense, individually or through counsel of their own choice. If a Settlement Class Member does not enter an appearance, they will be represented by Class Counsel. Any Settlement Class Member who wishes to object to the Settlement, the Settlement benefits, Service Awards, and/or the Attorneys’ Fees and Expenses, or to appear at the Final Approval Hearing and show cause, if any, why the Settlement should not be approved as fair, reasonable, and adequate to the Settlement Class, why a Final Approval Order and Judgment should not be entered thereon, why the Settlement benefits should not be approved, or why the Service Awards and/or the Attorneys’ Fees and Expenses should not be granted, may do so, but must proceed as set forth in this paragraph. No Settlement Class Member will be heard on such

matters unless they have filed in this Action the objection, together with any briefs, papers, statements, or other materials the Settlement Class Member wishes the Court to consider, on or before **June 1, 2026**. Any objection must include: (i) the case name and number of the Action; (ii) the name, address, telephone number of the objecting Settlement Class Member and, if represented by counsel, of his/her counsel; (iii) a statement of whether the objection applies only to the objector, to a specific subset of the class, or to the entire class; (iv) a statement of the number of times in which the objector (and, where applicable, objector's counsel) has objected to a class action settlement within the three years preceding the date that the objector files the objection, along with the caption of each case in which the objector has made such objection; (v) a statement of the specific grounds for the objection; and (vi) a statement of whether the objecting Settlement Class Member intends to appear at the Final Approval Hearing, and if so, whether personally or through counsel.

In addition to the foregoing requirements, if an objecting Settlement Class Member intends to speak at the Final Approval Hearing (whether *pro se* or through an attorney), the written objection must include a detailed description of any evidence the objecting Settlement Class Member may offer at the Final Approval Hearing, as well as copies of any exhibits the objecting Settlement Class Member may introduce at the Final Approval Hearing. Any Settlement Class Member who fails to object to the Settlement in the manner described in the Settlement Agreement and in the notice provided pursuant to the Notice Plan shall be deemed to have waived any such objection, shall not be permitted to object to any terms or approval of the Settlement at the Final Approval Hearing, and shall be precluded from seeking any review of the Settlement or the terms of the Settlement Agreement by appeal or any other means. With leave of Court for good cause shown, the Parties may take discovery of an objector or an objector's counsel.

16. Claimants. Settlement Class Members who submit by **August 14, 2026**, a valid claim form approved by the Settlement Administrator may qualify to receive Settlement benefits. Any such Settlement Class Member who does not submit a timely claim form in accordance with this Order shall not be entitled to receive such benefits, but shall nevertheless be bound by any final judgment entered by the Court. Notwithstanding the foregoing, all Settlement Class Members, even those who do not enroll in the services provided by CyEx or do not submit a claim, will be entitled to utilize restoration services offered through CyEx throughout the duration of that service. Class Counsel shall have the discretion, but not the obligation, to accept late-submitted claims for processing by the Settlement Administrator, so long as processing does not materially delay distribution of compensation to Settlement Class Members. No person shall have any claim against Class Counsel or the Settlement Administrator by reason of the decision to exercise discretion whether to accept late-submitted claims.

17. Stay and Injunction. The Court hereby stays and enjoins pending Final Approval of the Settlement all actions and other proceedings brought by Settlement Class Members concerning any Released Claims, except that individuals who properly and timely opt out of the Settlement shall not be subject to any stay or injunction.

18. Final Approval Briefing. All opening briefs and supporting documents in support of a request for Final Approval of the Settlement and Settlement benefits must be filed and served on or before **June 25, 2026**. All briefing and supporting documents in support of an application for Attorneys' Fees and Expenses and Service Awards must be filed on or before **May 11, 2026**.

19. Reasonable Procedures. Class Counsel and Comcast's Counsel are hereby authorized to use all reasonable procedures in connection with approval and administration of the

Settlement that are not materially inconsistent with this Order or the Settlement Agreement, including making, without further approval of the Court, minor changes to the form or content of the notices, and other exhibits that they jointly agree are reasonable or necessary to further the purpose of effectuating the Parties' Settlement Agreement.

20. Extension of Deadlines. Upon application of the Parties and good cause shown, the deadlines set forth in this Order may be extended by order of the Court, without further notice to the Settlement Class. Settlement Class Members must check the Settlement website (URL to be determined by Parties in consultation with Kroll) regularly for updates and further details regarding extensions of these deadlines. The Court reserves the right to adjourn or continue the Final Approval Hearing, and/or to extend the deadlines set forth in this Order, without further notice of any kind to the Settlement Class.

21. Termination of the Settlement and Use of this Order. This Order shall become null and void and shall be without prejudice to the rights of the Parties, all of which shall be restored to their respective positions existing immediately before this Court entered this Order, if the Effective Date does not occur or the Settlement is otherwise terminated in accordance with the terms of the Settlement. In such an event, the Settlement shall become null and void and shall be of no further force and effect, and neither the Settlement (including any Settlement-related filings) nor the Court's orders, including this Order, relating to the Settlement shall be used or referred to for any purpose whatsoever. For the avoidance of doubt, if the Effective Date does not occur or the Settlement is otherwise terminated in accordance with the terms of the Settlement, then neither the Settlement (including any Settlement-related filings) nor the Court's orders, including this Order, relating to the Settlement shall be: (1) construed or used as an admission, concession, or declaration by or against Comcast of any fault, wrongdoing, breach, liability, or the certifiability

of any class; or (2) construed or used as an admission, concession, or declaration by or against the Settlement Class Representatives or any other Settlement Class Member that his or her claim lacks merit or that the relief requested is inappropriate, improper, unavailable, or as a waiver by any Party of any defense or claim he, she, or it may have in this litigation or in any other lawsuit.
