Yes, I had all the doubts as well...

I was 18.
No experience in sales.
I was a full time student.
Full time athlete.
Not a huge circle of friends.
People judged/will judge me for this
Insecure.
Am I worthy enough.
Will I be as good as her.
I'm too shy for this.
I'm not a social media guru.

Because I made the hard and scary
decision to look past alllll these doubts I
had when I first started my business I
NOW get to say...

I work on my own schedule.

I get paid 5-6x a month.
I earn monthly bonuses.
I earned 2 expense free trips to Mexico.
I have an amazing community.
I am the healthiest version of me.
I am the most confident I've ever been.
I am my own boss.

For the last four years I have grown in so many different areas of life and am in control of my present and future. I took the scary leap at 18 not knowing if this would work out for me.... With commitment, consistency and extreme courage I have made a beautiful life for myself at 22 years old and I am so blessed.
