What do I do? I partnered with a network marketing company whose products I fell in love with on day oneeee. I decided that these products needed to be shared with others (and the fact I could earn commissions based off of my recommendations.. umm hello! we do this everyday!) and that this business opportunity was one of our most life changing products.

Through this business I have helped a lot of people get healthy, prioritize their health and wellness, serving others, switch and ditch their products to cleaner ones, rising up leaders on my team, coaching + mentoring them with zero excuses.

And to think it all started because I was feeling like crap & wanted to see if working on my "gut health" could actually help.....

Is it easy? Not one bit but it's 100% worth it. It's about the choices & the flexibility. The fact I can travel whenever without working about PTO. The fact that I no longer have the Sunday scaries & feeling exhausted after every work day.

That's really the biggest flex.

Maybe you're thinking — "I can never do what she does" — I'm here to tell you if you keep telling yourself that then no you won't be able to do what I do but guess what— ANYONE can be successful at this business. They just
