Renting a Moving Truck or Trailer

If you have a lot to move, consider renting a U-Haul truck. U-Haul has locations all over the U.S. making it easy to drop off your truck when you are done.

Carpooling with Another Student

Carpooling with another student is hands down one of the most cost-effective and fun ways to move to college. You get to split the expenses and make unforgettable memories.

Using a Personal Vehicle

Another way to save money when moving to college is to take matters into your own hands. If your school is close to home, load up the family car for a DIY college move with your loved ones.
