**Re: *Kandeh v. NordVPN S.A., et al.*, Case No. 1:25-cv-02571-ER (S.D.N.Y.) —
Joint Letter-Motion Requesting Stay of All Proceedings Pending Settlement**

Dear Judge Ramos:

Pursuant to Local Civil Rule 7.1(e) and the Court's Individual Practices § 1.E, Plaintiff Lanzy Kandeh and Defendants NordVPN S.A., Tefincom S.A. d/b/a NordVPN, and NordSec B.V. (collectively, the "Parties") respectfully submit this joint letter-motion requesting a stay of all proceedings in this action—including all pending deadlines and scheduled events—for ninety (90) days while the Parties finalize a class action settlement agreement. This request is made jointly and with the consent of all parties.

Background

Plaintiff filed the putative Class Action Complaint on March 28, 2025. *See* ECF No. 1. Defendants moved to dismiss the Complaint, and that motion is fully briefed. *See* ECF Nos. 42, 43, 54, and 58. Discovery has commenced and is ongoing. There has been one prior request for an extension of time in this case, made in connection with the briefing schedule on Defendants' motion to dismiss due to Plaintiff's counsel's scheduling obligations in other matters. *See* ECF No. 46. That request was granted. *See* ECF No. 47.

Settlement in Principle

On April 14, 2026, the Parties participated in a full-day mediation before Marc Isserles, Esq., at which they reached an agreement in principle to resolve this matter on a class-wide basis. The material terms of the settlement were memorialized in a Memorandum of Understanding executed that same day. Pursuant to that agreement, the Parties intend to file a motion for preliminary approval of the settlement within ninety (90) days of the mediation, i.e., by July 13, 2026. The Parties are currently working diligently to finalize a comprehensive settlement

MEMO ENDORSED

The parties' request for a 90-day stay of proceedings in this action is granted. The parties are hereby ordered to submit a joint status report by July 27, 2026.

SO ORDERED.

Edgardo Ramos, U.S.D.J.

agreement and the supporting documents necessary for preliminary approval, including class notice materials and related filings.

Requested Relief

The Parties respectfully request that the Court stay all proceedings in this action for ninety (90) days. Continuing litigation—including discovery, pending motion practice, and other pretrial deadlines—would impose unnecessary burden and expense on the Parties and the Court during this period. A temporary stay will conserve judicial resources and allow the Parties to focus on finalizing settlement.

The Parties will promptly notify the Court upon execution of a final settlement agreement and will thereafter submit appropriate filings, including any motion for preliminary approval. If the Parties are unable to finalize settlement within the requested stay period, they will submit a joint status report to the Court prior to the expiration of the stay.

Accordingly, the Parties respectfully request that the Court stay all proceedings in this matter, including all deadlines and scheduled events, for ninety (90) days, through July 27, 2026, and direct the Parties to submit a joint status report by that date. A proposed order is submitted herewith.

Respectfully submitted,

WITTELS McINTURFF PALIKOVIC
