- This authentic blend infuses rich and hearty black tea with lively spices like ginger, cloves and cardamom with a touch of smooth vanilla.
- Black tea, caffeinated
- Certified Orthodox Union Kosher

In many cultures, chai simply means tea. And a pot of chai fills homes with a delicious aroma that says "welcome" like nothing else. Celestial Seasonings® India Spice Chai Tea is blended from premium teas combined with natural spices and exotic flavors. Now you can brew this irresistible elixir yourself, at the touch of a button, with your Keurig® Brewer. Sweeten with sugar or honey, then add milk or your favorite substitute. Enjoy the health benefits of antioxidant-rich tea and spices and savor the intriguing taste that stands apart from the crowd.

INGREDIENTS: Black Tea, Spices (Cinnamon, Ginger, Cloves, Cardamom, Nutmeg, Black Pepper and Chinese Star Anise), Roasted Chicory, Natural Flavor and Vanilla Bean.

Back in 1969, we started picking herbs from the fields and forests of the Rocky Mountains and in the process, we created America's very first herbal tea. Still blended in Boulder by our expert Blendmaster, our uniquely delicious teas are made with the finest ingredients, passion and inspiration.

Great Chai flavor
Lots of great chai flavor but a bit more caffeine than I expected. Still a great choice!

Perfect Chai Tea
This is a very good Chai tea with rich spices and hints of vanilla out of several different chai teas that I have tried ! Find that this one has the richest robustness flavor with just the right amount of spices and requires just a bit of sweetening if you desire!

HOW TO RECYCLE K-CUP® PODS IN THREE STEPS

⚠ CAUTION: POD IS HOT.
ALLOW TO COOL AFTER USE.

PEEL
Starting at puncture, peel lid and dispose.

EMPTY
Compost or dispose of grounds. (Filter can remain.)

RECYCLE
Check locally* to recycle empty cup.

**Not recycled in many communities.*
Visit Keurig.com/Recyclable to learn more.

WHY #5?

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.

*Check locally, not recycled in many communities.
