Amazing Kids Deserve Amazing Times

Meet Clayton.

When Paul Newman started the SeriousFun Children's Network of camps, he had kids like Clayton in mind.

Born with cerebral palsy, Clayton gets around with a walker and wheelchair. SeriousFun camps are designed with adaptations so that nothing is off limits for kids with different abilities. "The first time we went to camp," mom Avie says, "he literally got there, waved 'Bye!' and we were like, 'What?!' We were stressing the whole time, but it was amazing for him."
