# THE SHORT STORY OF HOW WE *Earned* OUR NAME

Way back in 1970, we set out to craft the best cup of coffee.

By using only the finest beans and perfecting our signature smooth roast, we landed on something downright delicious.

And because we knew we had something special, we entered a competition and were named “The Best  Coffee in Seattle.”

We were thrilled—and knew that we  had found our name. Today, we continue to obsess over our award-winning coffee, because our name reminds us just how high we’ve set the bar.

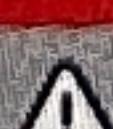

IT'S A CHALLENGE TO US. AND A PROMISE TO YOU.

Only Genuine K-Cup® Pods are optimally designed by Keurig® for your Keurig® coffee maker to deliver the perfect beverage in every cup.

MEDIUM ● ● OOO DARK

These beans will brew up a cup that's vibrant and crisp, with smooth citrus notes that give a hint of *extra brightness* to the morning. Even when it's not sunny. And that's just the first sip. Enjoy.
