- Mild sweetness and elegant simplicity.
- Medium roast, caffeinated coffee
- Certified Orthodox Union Kosher

Like a well-deserved vacation, this variety holds a special place in our imagination. Maybe it's the mild sweetness and elegant simplicity. Or maybe it's because some of the best coffee we've ever tasted has been on an island, surrounded by tropical breezes. Either way, this Hawaiian Blend is a place we want to be. Contains 10% Hawaiian coffee and other fine Arabica beans.

An uncommonly delicious coffee forged in the fires of an unconventional process, Tully's® coffee gets its distinctive aroma and rich, full flavor from our signature slow-and-low roasting process that infuses the taste of true craftsmanship into every sip.

Great morning coffee

This has been a go to coffee since I bought my Keurig years ago. Love the flavor and the roast.

Our Favorite

Perfect cup of coffee. Nice rounded flavor. Not bitter. No unpleasant aftertaste. Smoothe- perfect strength. More medium than dark.

Darker Medium Roast Hawaiian Blend is a Hit!

I am a coffee snob. That being said, this Hawaiian blend is a darker medium roast and is smooth, robust but velvety on the tongue. It is my new favorite, and both my husband and son really enjoy it as well.

HOW TO RECYCLE K-CUP® PODS IN THREE STEPS

⚠ CAUTION: POD IS HOT.
ALLOW TO COOL AFTER USE.

PEEL
Starting at puncture, peel lid and dispose.

EMPTY
Compost or dispose of grounds. (Filter can remain.)

RECYCLE
Check locally* to recycle empty cup.

**Not recycled in many communities.*

WHY #5?

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.

*Check locally, not recycled in many communities.

Inside the **Recyclable* K-Cup* Pod**

Freshly ground coffee **from leading coffee brands** fills our recyclable K-Cup® pods

Hot water saturates the freshly ground beans and **flows through the paper filter**

Gentle pressure extracts every ounce of **rich, full-flavored coffee**
