Product Description

La Colombe® Nizza is a smooth medium roast masterpiece that's a go-to coffee to start any day. Named after the city of Nice, France — home to some of the best honey in the world — this coffee hits at the heart of sweet, exemplifying a honey-sweet, roasted nuttiness that serves as a delicious homage to its namesake. More than just a longstanding favorite, this pioneering roast was the first coffee ever made by La Colombe®. And since 1994, it's held a special place in the hearts — and cups — of coffee lovers everywhere. At La Colombe®, we're driven by one calling — to change the world by making people happy through coffee. That's why we responsibly source our beans from the world's preeminent growing regions, give back to our local and global communities, and care for our environment. It's our way of making meaningful change in the world and filling every cup with exceptional coffee. Each La Colombe® Nizza K-Cup® pod is filled with freshly ground coffee beans and is compatible with all Keurig® single serve coffee makers. Simple. Delicious. And recyclable.* Enjoy the same great-tasting coffee you know and love, and when you're done, please peel, empty, and recycle.

Check locally, not recycled in many communities.
