Product Details | Reviews | PURCHASE OPTIONS

- Coffee

- Cheering and sweet, one cup will help transform even the sleepiest of sleepyheads into a morning person.
- Light roast, caffeinated coffee
- 100% Arabica coffee
- Certified Orthodox Union Kosher
- Packaging may vary

Sunshine in your mouth! Daybreak starts your day on the right track or kick-starts your afternoon with its tangy citrus and floral notes. A blend of coffees from the Americas and East Africa, Daybreak is roasted to a lovely chocolate brown on the lighter end of our roasting spectrum. This highlights its unassuming and cheerful sweetness and balanced nutty finish.

Fueling adventure since 1992. Coffee isn't just our business, it's our unrelenting passion. We love to roast it, brew it, smell it, and (duh!) drink it. But most of all, we love how it brings people together and inspires adventure, big and small.

PRODUCT HIGHLIGHTS

- CAFFEINATED
- LIGHT ROAST
- RAINFOREST ALLIANCE CERTIFIED
- ORTHODOX UNION KOSHER

This One is on My Repeat List
A perfect light roast with enough complexity to keep you interested. I am occasionally a dark roast fan, most often a medium roast gal, but this light roast will be on my repeat orders. Very, very nice.

A Great Start To Your Day!
This is a robust start your day cup of coffee. It's flavorful but not overpowering. Will definitely be a staple In my pantry.

Caribou Daybreak blend
This is the first time I purchased this coffee. It has a light flavor and is very good.

Great Cup of Coffee -Smooth Flavor
Great tasting coffee! I'm not a flavored coffee guy, so this is great. Will buy again!

HOW TO RECYCLE K-CUP® PODS IN THREE STEPS

⚠ CAUTION: POD IS HOT.
ALLOW TO COOL AFTER USE.

PEEL
Starting at puncture, peel lid and dispose.

EMPTY
Compost or dispose of grounds. (Filter can remain.)

RECYCLE
Check locally* to recycle empty cup.

**Not recycled in many communities.*
Visit Keurig.com/Recyclable to learn more.

WHY #5?

100% of our K-Cup® pods are made from recyclable* polypropylene plastic, otherwise known as #5 plastic. #5 plastic is now widely accepted in curbside recycling systems across North America, although many systems that accept polypropylene do not necessarily accept K-Cup® pods.

*Check locally, not recycled in many communities.

Inside the **Recyclable* K-Cup® Pod**

Freshly ground coffee **from leading coffee brands** fills our recyclable K-Cup® pods

Hot water saturates the freshly ground beans and **flows through the paper filter**

Gentle pressure extracts every ounce of **rich, full-flavored coffee**

*Check locally, not recycled in many communities.
