How customer reviews and ratings work

Customers say

Customers have mixed opinions about the energy supplement's taste, with some finding the flavor good while others describe it as bitter. The effectiveness receives negative feedback, with customers reporting no effects. Moreover, the product's value for money is criticized, with many finding it overpriced at $39 for 3 cans. Additionally, customers disagree on the energy content, with some experiencing a smooth uplift while others report no effects. The ease of use is mixed, with some finding the pouches convenient while others report no improved focus. The product's longevity is also mixed, with some finding it the longest-lasting work others say it's not long-lasting.
