Do These Really Work Without Nicotine?
Absolutely. Ultra is a nicotine-free pouch made with a blend of carefully selected nootropics, adaptogens, and vitamins. It's designed for people looking for a convenient alternative to traditional nicotine or caffeine products.

Available in five great flavors and made without nicotine, sugar, or caffeine.

How Do I Use Ultra Pouches?
Pop 1–2 pouches in your mouth. Let them find a comfortable spot, and your saliva will help release the ingredients. A light tingle within minutes means the ingredients are activating. Leave the pouch in for up to 30 minutes or according to your personal preference.
Use as part of your daily routine whenever it fits your lifestyle.

Why People Choose Ultra
- Nicotine-free
- Caffeine-free
- Zero sugar
- Zero calories
- Convenient pouch format
- Available in multiple flavors
- Easy to take on the go

When to Use Ultra
Ultra fits easily into a variety of daily routines:
- During your morning routine
- While working or studying
- During travel or commuting
- At the office
- While relaxing at home
- Whenever you want a convenient, nicotine-free pouch experience

Our Formula
Ultra contains a blend of ingredients including:
- Enfinity Paraxanthine
- L-Theanine
- Alpha GPC
- Ginseng Extract
- Vitamin B6
