Game changer
I was feeling constantly tired and felt like I couldn't ever get enough sleep. These pouches made sleeping so much better, also made my night shift feel so much smoother with longer lasting energy.

Good flavor, pouches dissolve too quickly (all flavors)
Good flavor, like the nicotine alternative, they do seem to provide a slight energy boost, but maybe not what I dreamt up based on the website/testimonials. Pouches also do NOT last as long as they say...mine start disintegrating within an hour as the intense starts coming out which is ok bonus.
